78 SERIES

78/50

78 Series

- 2" wide double-armored steel body
- Hardened steel shackle

78/50 KC

78/50 Key Control Series

- 2" wide double-armored steel body
- Hardened steel shackle
- 3-digit dialing for thousands of combinations and maximum security
- Override key for quick access
- To maintain key control, each system is charted for non-duplication

Ordering Information

ABUS requires the following information to register each key-control system for each installation to ensure there is no duplication:

- Full company name
- Name of school or ultimate user
- Address, zip code, telephone number

Indicate System

Use the stamping on the control key and/or back of Key Control Combination Padlock to specify which key-control system you are ordering. ABUS reserves the right to contact the end user to verify information.

New systems

If you require a new system or a different one at the same installation, note "new key-control system required" on the order form. Include the number of control keys needed. ABUS reserves the right to contact the end user to verify information.

Charts and Keys

For security purposes, we ship the Key Control Combination Padlock charts and control keys separately from the padlocks.
