

# DUPLICATORS

## Mini Speedex® Lightweight Key Duplicator

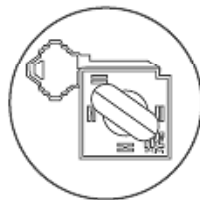

#1

No. 9120RM

The Mini Speedex® (9120RM) is one of the most accurate small key machines on the market. The Mini Speedex® has 4-way jaws which allow it to cut a wide variety of keys. This lightweight duplicator is able to cut regular or large-bow keys. It also comes equipped with the HPC Softie™ de-burring brush. The durable construction and bronze bearings combine for a long lasting product. Its portable size and weight make the Mini Speedex® convenient to use in your lockshop or van.

Includes 4-Way Jaws  
to hold the widest  
variety of keys!
