

## Simplex® 9600 Series

### 9600 Series Cabinet Locks

9600 Series

#### Application

9600 Series Cabinet Locks use the same proven combination system as our other push-button access controls, and are specifically designed for cabinet doors, desk drawers, and similar applications. Ideal for use in many locations: medicine chests, liquor cabinets, gun boxes, courier pick-up boxes, home entertainment units, cleaning supply cabinets, tool chests, private files, display cases, supply cabinets, audio-visual cabinets, and petty cash drawers.

The locks can be used alone or in combination with other locking devices for maximum security.

#### Features

- C9600 models specially packaged for the consumer market with everything the “Do It Yourself” customer needs

#### Optional types of installations

- Wood
- Sheet metal

#### Mechanical Features

- **Construction:** All metal, cast face plate
